On July 25, 2022, at approximately 2029 hours, Ofc. P. Genovese responded to 403 Delaware Road, Frederick, Maryland for a reported child abuse.

Upon arrival Ofc. Genovese made contact with the complainant identified as Alecia TROUT; she is the mother of the victim. The victim has been identified as Oliver Brennan TROUT, WM, D.O.B. 03/27/16.

The complainant stated the victim had come out of the bathroom, his shirt was raised, and his pants were hanging low on his waist. The complainant could see two scratches on the victim's hip/pelvic area that appeared to be consistent with fingernail scratches. The complainant asked the victim about how this happened and he told her that his stepmom grabbed him by the waist and was digging her fingernails into his hip/upper pelvic area. The victim also had a scratch on his arm consistent with a nail scratch also.

It was learned through this initial investigation that the victim's brother, Elias Franklin TROUT, WM, D.O.B. 08/04/14 witnessed this reported incident of his brother.

It was also reported that several reports have been made to Child Protective Services related to the victim, his brother, and the defendant.

The defendant was identified as Chelsea Anne KADISH, W/F, D.O.B. 11/20/86.

This case was assigned to Det. Ames on July 26, 2022. Det. Ames met with Alecia TROUT at her residence and was advised that she has been working with Child Protective Services since April 2020 over similar incidents; prior to this reported incident police were not involved in any reported investigation. Det. Ames was advised of a previous reported incident involving Elias TROUT where the defendant injured his head while forcing a bedroom door open in April 2020.

Det. Ames was able to observe both Oliver Trout and Elias Trout during this visit; however, Det. Ames did not speak with them. Forensic Interviews would be scheduled through the Child Advocacy Center.

Det. Ames and DSS/CPS Investigator Tamara Ogunade worked this case together and she was able to schedule forensic interviews for both Oliver and Elias Trout for 08/05/22.

Forensic Interviewer Meghan McGowan completed the forensic interview of Oliver TROUT. During this interview, Oliver disclosed that the defendant grabbed him and dragged him with her fingernails. Oliver explained that he had to get the sheets out of his bedroom and the defendant did not like how he did it so she dragged him and picked him up by his waist. Oliver pointed to his waist where the injury was documented and said he had boo boo 's there. Oliver said she grabbed my arm and my waist and picked me up and shook me. During this interview, Oliver also described being choked by the defendant and being picked up and choked by the defendant during a separate incident.

Oliver also disclosed an incident during this interview related to Elias TROUT and the defendant causing injury to his head. He said the defendant slammed the door open hitting Elias head on a corner.

Forensic Interviewer Meghan McGowan completed the forensic interview of Elias TROUT. He verified what Oliver reported about the bedding and being grabbed by the defendant and being picked up and shook back and forth. He said the defendant got mad and started to shake Oliver. He said this happened after Oliver wet the bed. Elias also reported about the incident where his head was injured when he was behind the bedroom door that was forced open by the defendant. He said his head hit a corner of the wall, he was crying and could not breathe. He explained that during this incident, he was trying to hold the bedroom door shut and the defendant forced the door open. Elias did report seeing the defendant choking his brother Oliver and that his brother could not breathe.

On August 10, 2022, at approximately 1400 hours, Det. Ames and DSS/CPS Investigator Tamara Ogunade met with the defendant and Ryan Trout at their residence for an interview. This interview was audio recorded with the permission of the defendant.

The defendant explained that she caused the scratch on Oliver 's arm accidentally when Oliver was helping her bring wet bedding to the basement. She explained that he was carrying wet blankets and they were dragging on the floor leaving a large wet streak on the floor and she tried to put the blankets back in his arms causing the scratch. She said she apologized to Oliver about the scratch on his arm.

Ryan Trout said he thinks he saw the injury on Oliver 's waist from his beach shorts from a recent trip to the beach in New York. He said he observed the injury later in the day when Oliver was getting a shower.

The defendant denied causing the injury to Oliver 's waist area; she also denied ever choking him. The defendant advised the only time she has grabbed Oliver by the neck was to give him a home Covid test when he kept trying to turn his head away to avoid the Covid test (this was being done for a trip to Hershey).

## APPLICATION FOR STATEMENT OF CHARGES (CONTINUED) Page 4 of 5

The defendant was asked about the incident with Elias and his head being hit on a wall. The defendant did admit this happened, she explained that Elias had learned how to lock and unlock doors and he was trying to shut and lock a bedroom door. The defendant said she put her foot between the door and door frame to stop this door from being locked shut and that Elias kept slamming the door on her foot and she pushed the door open causing his to fall back into the wall injuring his head. This was said to have happened in April 2020 at 51 Winchester St., Frederick, Maryland.

Elias' s mother took a photograph of the injury on his head to document what she observed. This was reported to Child Protective Services in early April 2020. Elias TROUT was not taken to the hospital at the time due to the COVID-19 pandemic and fear of contracting this. This incident was not reported to the police at that time by Alecia TROUT or CPS.

During an April 2022 Child Protective Services investigation, both Oliver TROUT and Elias TROUT reported the defendant would grab them by their throats and push them against the wall. The defendant denied these allegations to CPS and advised she would cup the boys by their faces around their jawline, not grab them. The defendant advised she has done this when she is talking with the boys, but also when she is expressing affection for the boys. The defendant has denied that this has been done out of anger. This incident was also not reported to the police by Alecia TROUT or CPS.

This case has been reviewed by ASA Tammy Leach and she recommended criminal charges be filed in this matter.

All events occurred in Frederick, Frederick County, Maryland.
